FEATURE TO AN OUTSIDER

My Dear, at Long Odds, First in Windsor City Handicap.

Paul Weidel Runs Sparkling Race Despite Heavy Impost—Great Crowd Present.

WINDSOR, Ont., July 24.—F. Musante's three-year-old King James—Betty Landon filly My Dear, which has been running herself into condition in unpretentious races on the Canadian circuit this summer, came home on the front end of the procession in the $5,000 added Windsor City Handicap. She paid $44.70 for each two-dollar mutuel ticket, enriched the coffers of her owner to the extent of $4,400, and among other accomplishments defeated Paul Weidel, which through repeated success in the Canadian stakes had come to be considered as having them at his mercy.

Paul Weidel's defeat, however, was not ignominious. Picking up 130 pounds he began from an inside position and started in a businesslike way to traverse the mile and a sixteenth cut out for him. He outrun the others to the first turn and swinging easily through the back stretch raced Claymore into defeat, but when turning for home met a challenge which he was unable to withstand. My Dear, after being restrained for a little more than a half mile, moved up on the last turn and engaged Paul Weidel as the field straightened away for home. The Lowenstein horse held on gamely in a long drive, but the weight anchored him badly in the last sixteenth of a mile, and he succumbed by three-quarters of a length. My Dear also was tiring at the end. Estero, rushing up, landed third and lacked but a half-length of overhauling Paul Weidel.

The largest crowd in the history of the Kenilworth Racing Association attended today. The grandstand, which stretches for a sixteenth of a mile down the track, was crowded, as were the bleachers in front of it. The spacious lawn also was packed. What threatened to be a showery day brought sunshine with it before the close and the racing was of a high order despite frequent upsets.

G. J. Long furnished a big surprise in the opening dash when his filly Doric, at long odds, led all the way and won under a mild drive. Golden Autumn, the favorite, was always outrun.

Again in the following race the talent saw their favorite beaten, Algonquin, one of the field horses, showing the way throughout.

Jockey B. Kennedy was forced to cancel the remainder of his engagements after the second race because of an injury to his eyes, received when one of his mounts tossed its head back and bumped him.

The Gallaher Brothers have decided to rest here instead of going to Hamilton, as at first planned.

M. Lowenstein will ship his horses to Saratoga Monday. Jockey Stack will accompany the stable.

Former jockey Andy Minter, who formerly rode for August Belmont and George M. Hendrie, was a visitor today. Mr. Minter is connected with the Detroit News.

George O'Neill, a Toronto hotel man, who formerly was identified with the turf, took in the racing here today.

B. J. Brannon is among those who are going from here to Saratoga, according to present plans.

The Sunnyland Stable, presided over by R. A. Smith, also will be sent to Saratoga. This stable includes two winners in Irish Kiss and Slippery Elm.

F. Musante and C. R. Anderson are others planning the trip to Saratoga.

J. Masterson, represented in the seventh race Friday by Bubbling Louder, claimed Cheer Leader from R. D. Williams for $3,300.

Jockey McTaggart was suspended for the balance of the meeting for cutting across in front of the others with Blazonry in the last race today.

SARATOGA'S GREAT STAKE ARRAY

HOPEFUL OF $30,000 AND OTHER VALUABLE EVENTS ACCOUNT FOR THE EVER INCREASING POPULARITY OF RACING AT THE SPA

One week from tomorrow Saratoga will throw open its gates for the annual meeting of the Saratoga Racing Association. There has always been something particularly fascinating about the sport at Saratoga. Nature intended it as a true testing ground for the thoroughbred blood of this continent, and each year finds the best horses from all parts of this country and Canada meeting there and fighting for supremacy, neither asking for nor giving quarter, the motto of this noted racing ground being "may the best horse win." The Saratoga Association has materially aided nature by improving the surroundings and providing such accommodations and conveniences that the people of the present day demand, with the result that the wealth and beauty of the nation assemble there during the month of August, giving to Saratoga a prestige enjoyed by no other course in this country. For this reason it is now oftentimes referred to as the "Ascot of America." Primarily, one of the chief reasons for the increasing popularity of Saratoga racing and the main factor in bringing the turf stars of each year to the Spa has been and still continues to be, namely, the splendid array of rich and attractive stake fixtures. This will be particularly true this year, as the monetary value of the stakes to be decided next month is far greater than in any previous year in the long and interesting history of this famous racing organization. The total distribution in stakes and purses this year will exceed $300,000. The Hopeful Stakes of $30,000, the richest fixture of the Saratoga program, will be worth to the winner this year more than ever before in its history, as the gross value of the race is already $36,350 without including the starting fee of $200 each. In addition to the Hopeful there is the Travers Stakes of $12,500 and four other events of $10,000 each, the remainder ranging in values from $7,500 down to $2,500, besides ten of the added money variety. Altogether it is an alluring list of stake fixtures, as a glance at the subjoined tabulation reveals:

SEEK BUYER FOR THE BEACH STABLE

Trainer Lloyd Gentry Says It Would Be an Injustice to Separate Horses at the Present Time.

NEW YORK, N. Y., July 24.—Former Jockey Lloyd Gentry, trainer of the stable of the estate of the late J. B. Elwell, was at Empire City Wednesday. He was seeking a purchaser for the stable so that he might continue the training of the horses, which include the sprinter Flags, L'Errant, a good handicap horse; the crack three-year-old Right Over Might, and several two-year-olds, among which is St. Donard, a winner during the recent Latonia meeting. The horses are at present quartered at Saratoga, where they are to be sold at public auction during the meeting at the Spa.

Mr. Gentry says the horses have been appraised and an upset price fixed on each of them. While he would not disclose the price set by Messrs. Bradley and McDowell, who were commissioned to fix the price, he said that it was reasonable and that he came from Saratoga to Empire City to see if he could not get some one interested in thoroughbreds to take over the entire stable. He said that he was anxious to continue training the horses, from the fact that he had worked with them for so long in getting them in racing condition, and now that they were in winning form he considered it would be an injustice to break the stable up and let it fall into the hands of some trainer not familiar with the moods and capabilities of the horses. Gentry talked to several turfmen, but did not say whether he had interested anyone sufficiently to get them to buy the stable as a whole.

BURTTSCHELL PASSES UP SARATOGA

WINDSOR, Ontario, July 24.—A misunderstanding about stable reservations at Saratoga Springs has necessitated a change in the plans of W. A. Burttschell for the month of August. Mr. Burttschell had intended sending the large string of useful horses he has been campaigning on the Canadian circuit to the Spa, but now finds that no accommodations have been reserved for him. Mr. Burtschell will follow the Canadian Racing Associations' circuit as far as Ottawa, from where he plans shipping to Maryland.

BELMONT PARK STAKES CLOSE JULY 26

Westchester Racing Association Is Hanging Up Some Rich Plums for the Fall Meeting.

Entries for the stake events to be run during the autumn meeting of the Westchester Racing Association will close on Monday, July 26, with Secretary A. McL. Earlocker at 18 East Forty-first street. Chief among the events is the Autumn Gold Cup, at two miles, with $5,000 added. This is a new race and it is hoped that horsemen will enter liberally for it, as it is the only race of the distance on the Jockey Club's program and was designed to bring out the staying qualities of American horses. Other races which close at the same time are the Jerome Handicap, at one mile, for three-year-olds, with $2,500 added; the Manhattan Handicap, for all ages, at one mile, $2,500 added; the Fall Highweight Handicap, for all ages, at three-quarters mile, with $3,000 added. For two-year-olds exclusively there are the Champagne at seven-eighths mile, $3,500 added; the Nursery, at three-quarters mile, with $2,000 added, Mineola, at three-quarters mile, with $2,000 added, and the Tomboy Handicap for two-year-old fillies exclusively, with $2,500 added. For the steeplechasers there are the Corinthian and Broad Hollow Handicaps, the former with $2,500 added and the latter with $2,000.

C. W. CLARK AT EMPIRE CITY; GOOD STABLE IS AT SARATOGA

C. W. Clark, prominent California sportsman, is attending the races at Empire City. Mr. Clark has a great stable of thoroughbreds quartered at Saratoga, where he expects to race them during the meeting at the Spa. Included in the Clark stable, which is being trained by George V. Barnes, are such good racers as Pictor, Sway, Captain Mac, United Verde, Bringhurst and others.

Mr. Clark has a private three-quarters of a mile track on his El Palomar estate at San Mateo, California, which is used to train his yearlings. At this ranch Mr. Clark has a wonderful bunch of polo ponies. Mr. Clark is a son of former Senator W. A. Clark of New York and Butte, Montana.

THREE STRAIGHT VICTORIES

On Watch Continues Winning Way in Annexing Yonkers Handicap

Scores in Slashing Style—East View Stakes Easy for Celt Filly Ten-Lec.

NEW YORK, N. Y., July 24.—G. W. Loft's On Watch, son of the unbeaten Colin, won his third straight victory today. On Watch had to be an exceptionally good three-year-old to win the Yonkers Handicap, feature of an especially good Saturday program at Empire City. After following Cromwell, on which jockey J. Mooney had the mount, Barrett on On Watch elected to make his challenge when nearing the stretch, but Mooney on Cromwell forced his mount extremely wide on the last turn. War Mask, which had been several lengths back, slipped through next to the rail at this juncture, momentarily taking the lead. But when Barrett called on the son of Colin when an eighth out he responded gamely and coming with a resolute challenge caught War Mask twenty yards out and won by nearly a length and drawing clear. Barrett, when he returned to the stand, went before the stewards and complained that he had been roughed and forced wide by Mooney.

Ten-Lec, the Foreign Stable's representative, made a show of the others that started in the East View Stakes of $6,000, one of the big features of the card. Ten-Lec was first away and setting a fast pace led her field by from three to ten lengths all the way. The Celt—Network filly, which is a sister to Embroidery, Paddy Whack, Lace, notable performers of the past, ran a race today which stamps her a high-class filly. It was her second start, having won her debut in the same runaway style. She was the choice, having been confidently backed by her connections. Eternity and Chevalier, the McClelland pair, had some following, but receded in the operations. Eternity came gamely after rounding the stretch turn, but the effort told on him and he tired near the finish. Knobbie, the second choice, getting up in the last few strides to defeat him for second place. Machiavelli showed early speed, but tired badly in the last quarter. Dark Horse ran far below expectations.

Jockey C. Robinson rode a corking good race to land Brisk a winner in the inaugural dash. He kept the gelding in front all the way and his energetic efforts in the final drive enabled the Smithson representative to hold on when hard pressed by Rodgers.

Arthur Johnson was also conspicuous during the afternoon, piloting Goaler to victory in the second race and Ten-Lec in the East View Stakes.

Strange as it may seem, the largest field of the day contested the mile and an eighth race, fourteen starting, and Air Man, a slight favorite over Tetley, was returned the winner, with the latter second.

Ral Parr's The Cook was confidently backed in the final dash of the day, but he was fortunate to finish second after an exceedingly rough race, while Gipsy Lad, racing next to the inner rail all the way, had no trouble in winning easily.

H. P. Whitney ordered Moody withdrawn from the East View Stakes out of respect for W. K. Vanderbilt, who died in Paris Thursday. Mr. Vanderbilt was Mrs. H. P. Whitney's uncle.

Wm. Booth shipped the Redstone Stable to Saratoga yesterday.

Jockey C. H. Miller was set down five days by starter Cassidy in the second race of Friday for misbehavior at the post.

KING ALFONSO SPAIN'S LEADING OWNER

While the King of Spain was visiting England recently he was made much of in turfdom because of his hearty interest in the establishment and extension of racing in Spain, as well as of his active participation in the sport. Concerning the status of his stable this year up to date, London Sportsman of July 9 said:

"In view of the visit to England of the King and Queen of Spain, some particulars of the 'Duke of Toledo's' recent successes on the turf will be of interest.

"King Alfonso has run twelve horses this year in fifty-two races and has won thirty of them, being placed in nineteen others. The stakes won by his stock from April 4 to July 5 amounts to 160,000 pesetas (about $33,000). Except in the Grand Prix de Madrid, in which his three-year-old crack Roman was second to the invincible Nonterlan, the 'Duke of Toledo' has won every big race in which his colors were represented, including the Grand Prix de San Sebastian, the Grand Prix de Sevilla, the Grand Prix de Cataluna, the steeplechase at Barcelona, the Aranjuaz Derby (for the third year in succession) and others. Four of his horses, French, Cryptic (bought at Newmarket last December), Thais and Le Bourget (a cast-off from the St. Alary stable) have remained unbeaten since the opening of the season.

"The 'Duke of Toledo' heads the list of winning owners in Spain this year. He has twenty-four horses in training, twelve of which—two-year-olds bred at the Royal Stud or bought at Doncaster last year—have yet to appear in public. All the duke's winners on the flat this year have been ridden by Lucien A. Lyne and those over jumps by Riolfo. All are trained by M. A. de Neuter, who also manages the Royal Stud at Hernani, where stands that good horse Antivari."

TRAINER JAMES BLUTE PASSES AWAY

James Blute, a well-known trainer, died last Tuesday at the home of his son-in-law Jockey W. Knapp after returning from the Empire City track. Mr. Blute was born in England fifty-six years ago. He rode for E. D. Morgan at the old Jerome and Morris Park tracks in his younger days. He was one of the leading trainers of the American turf in 1908 and 1909. Later he was associated with R. F. Carmen.

CURIOUS OLD-TIME RACING INCIDENT

Oaks Filly Prevented From Starting on Erroneous Protest She Was Four Years Old.

In the Oaks of 1845, before the competing fillies left the paddock, an objection was lodged against the qualification of Queen of Cyprus, by Liverpool—Careful, on the ground that she was four years old. The stewards ordered an examination of her mouth by the veterinary surgeons, Barrow and Bartlett, who certified that she was four years old. The mare was therefore not allowed to start. But her owner and breeder, Mr. C. Wagstaff, was most dissatisfied with the decision and sought further opinion.

With the approval of the stewards the two junior professors at the Royal Veterinary College, Camden Town, Messrs. C. Spooner and J. B. Simonds, and also Mr. Field were called in. After examining the filly's mouth these authorities pronounced her to be three years old.

The stewards rather stultified their previous action by accepting the three-year-old pronouncement. Moreover, the matter caused much controversy at the time among the supporters and enemies of the newly chartered Royal College of Veterinary Surgeons, which must not be confounded with the Royal Veterinary College at Camden Town.

But as both Spooner and Simonds were instrumental in obtaining the Royal Charter for the veterinary profession, their decision and its acceptance tended to draw attention to the prestige of the graduates from the London and Edinburgh veterinary schools. Bartlett, who practiced at Dorking, belonged to a family long connected with the treatment of animals.

In the previous year he was in agreement with Field that Leander, which was struck into the Derby by Running Rein (Maccabeus) and shot the same evening at his stable at Ashstead, was four years old. Barrow, I rather think, was the father of Mr. William Barrow, who qualified in 1851 and for many years was the leading veterinary surgeon at Newmarket.

DIFFICULT TO UNDERSTAND.

It is not easy to understand how a three-year-old filly could be mistaken at the end of May for a four-year-old by anyone having an intimate knowledge of the dentition of the horse. Later in the year early and precocious three-year-old thoroughbreds at times might be mistaken by a casual observer of their teeth for four-year-olds.

I think it was Donovan, for example, which had already cut his four-year-old permanent incisor teeth when he won the St. Leger. Queen of Cyprus only started once in 1844, and was unplaced in the Chesterfield Stakes. In 1845 she never appeared on a race course after her Epsom experience. But as a four-year-old, and after being sold to Mr. Ramsbottom, she won a little two-mile handicap at Abingdon and pulled up lame.

Later her owner paid forfeit on her account to the Duke of Bedford for a match which had been arranged between them, which arrangement goes to show that the Jockey Club had no doubt whatever that Queen of Cyprus was qualified to run in the Oaks of 1845.

The wonder is that Mr. Wagstaff did not attempt to recover damages for injury to his reputation and pocket. It would seem that it was alleged that Queen of Cyprus was born in 1841, in which year her dam Careful was returned barren. On the face of the Stud Book return and without reference to the dentition in May, 1845, of Queen of Cyprus, the contention that the latter was born in 1841 is somewhat probable.

Careful had foals in 1837, 1838, 1839 and 1840, after which date, excepting Queen of Cyprus and a filly by Elis, born in 1845, she had no further offspring. But, as previously stated, the decision of Messrs. Spooner, Simonds and Field was final.—"Mankato" in Manchester Sporting Chronicle.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner. Weight to be carried appears at top of column of weights in previous races. The M after the horse's name means Maiden.
